Definition of closed period

The Code* adheres to both Dutch and UK requirements for the definition of Closed (black-out) periods:

- a) the period from the end of the relevant financial year and to the date of publication of the Company's annual results or financial report for that particular year (subject to a minimum of 30 days);
- b) the period of 30 days immediately preceding the announcement of the Company's quarterly and/or half yearly results (or, if longer, the period from the end of the relevant financial period up to and including the time of the announcement or publication);
- c) the period between the end of a quarter and the date of publication of the Company's Trading Update for that particular quarter;
- d) the period of one month prior to the first publication of a prospectus with respect to an offer of securities (Dutch: "effecten") within the meaning of the Prospectus Directive to be issued by the Company, except if the period of decision-making prior to the publication of the prospectus is shorter than one month, in which case the trading prohibition will be applicable during this shorter period;
- e) any period where there exists any matter which constitutes Inside Information in relation to the Company.
